

FH Brundle Website Page Screenshot 17th February 2017: Proving that FH Brundle manufacture goods: (... “in the MANUFACTURE of bespoke hand rails.”)

The screenshot displays a web browser window with the address bar showing www.fhbrundle.co.uk/files/flash/co1/Weld-A-Rail/Weld-A-Rail.html. The browser's address bar and navigation buttons are visible at the top. The main content area features a large advertisement for 'WELD-A-RAIL' handrails. The advertisement has a blue header with the text 'WELD-A-RAIL' in large, bold, blue letters, followed by 'MAKING LIFE EASIER' in smaller blue text. Below this, a black arrow points to the word 'RAIL'. Underneath, a black text block reads: 'A new component system designed to make the fabricator's life easier in the manufacture of bespoke handrails.' The central image shows a white brick wall with a stainless steel handrail system. A red circular badge in the top left corner of the image says 'NEW for 2014!'. A QR code is located in the bottom right corner of the main image. Below the main image are three smaller images showing different handrail styles: 'Strand Wire', 'Glass Infill', and 'Round Bar'. At the bottom of the advertisement, the 'F.H. BRUNDLE' logo is displayed with the tagline 'SERVING THE TRADE SINCE 1888'. The browser's taskbar at the bottom shows the Windows Start button, several application icons, and the system tray with the date '17/02/2017' and time '14:48'.
